

BULK PRICE LIST

Bulk Picking

U-pick Regular u-pick pricing applies, but after \$250 of flowers, a 10% discount applies.

Standard stems are \$0.88 (\$1 including tax) a stem and \$1.77 (\$2 including tax) per sunflower.

Premium flowers such as dahlias, gladiolus, and lisianthus are available on a case by case basis. We reserve the right to limit how many stems of certain flowers are picked.

Your picking date is confirmed once a non-refundable \$50 deposit towards your flowers is paid.

Standard u-picking includes an explanation of how to pick your flowers and a brief tour of the field. Our staff will check in on you periodically. For a more personalized experience, a staff member can be present for your entire picking session and offer guidance and recommendations on which flowers to choose. This guided service costs \$40 per hour.

Pails of flowers for pick up

All pails contain 60 stems of pre-picked seasonal stems, which are enough flowers and greenery for 2-3 medium sized bouquets. The stems are conditioned and ready-to use with flower food in the water.

Farmer's choice pails do not allow for substitutions or choices of colours. However, we ensure that if multiple pails are ordered, that the flowers all coordinate with each other.

For the "Choice of..." pails, you can specify the colours that you would like for your pails.

If you do or do not want specific flowers in your pails, an added fee applies depending on the type of flower to be added or removed.
